

Backwater valve Staufix Siphon, DN 50, Inlet funnel, Type 5

Article information

Item no.: 73053
 GTIN: 4026092027622
 Price group: 10

Advantages

- Ideal for modernisation: can also be installed in existing pipes later
- Simple, toolless maintenance and cleaning
- Corrosion-free

Description

The backwater valve for wastewater without sewage is equipped with two mechanical flaps which close automatically in the event of backwater. One flap serves at the same time as an emergency closure to be closed by hand.
