

## Yard drain System 400, DN 100, A, 380 - 510 mm

### Article information

Item no.: 851100A  
 GTIN: 4026092004258  
 Price group: 10

### Advantages

- Different load classes available
- Height-adjustable complete system
- Easy underground installation

### Description

The polymer yard drain is used for point drainage and is resistant to aggressive wastewater. It is equipped with a sludge bucket and fuel resistant seals. The polymer upper section enables continuous height and level adjustment.

#### Variant

|  |         |
|--|---------|
| System:                                    | 400     |
| Heating:                                   | without |
| Contents of sludge trap:                   | yes     |
| Discharge rate (l/s) with 20 mm threshold: | 4,5     |

#### General characteristics

|                      |        |
|----------------------|--------|
| Colour:              | black  |
| Standard:            | EN 752 |
| Nominal size (DN):   | 100    |
| Outer diameter (OD): | 110 mm |
| Odour trap:          | no     |

#### Dimensions

|  |                                     |
|--|-------------------------------------|
| Net weight:  | 10 kg                               |
| Gross weight:  | 10 kg                               |
| Groundwater resistant from lower edge of base section: | 500 mm                              |
| Cutout dimension, width:                               | 535 mm                              |
| Cutout dimension, length:                              | 585 mm                              |
| Min. insertion depth:                                  | 55 mm                               |
| Installation depth:                                    | 380 - 510 mm                        |
| Type of height adjustability:                          | vertically adjustable upper section |
| Packaging dimension:                                   | length                              |
| Packaging dimension:                                   | width                               |
| Packaging dimension:                                   | height                              |

|                          |                     |
|--------------------------|---------------------|
| Tank/drain body          |                     |
| Number of outlets:       | 1                   |
| Material of drain body:  | Polymer             |
| Socket version:          | lateral             |
| Coverage features        |                     |
| Type of cover:           | Round slotted cover |
| Cover material:          | Polymer             |
| Colour of cover:         | black               |
| Width of cover:          | 400 mm              |
| Length of cover:         | 400 mm              |
| Surface:                 | EDM                 |
| Load class:              | A 15 (EN 124)       |
| Rim width:               | 400 mm              |
| Rim length:              | 400 mm              |
| Shape of upper section:  | square              |
| Contents of sludge trap: | yes                 |
