

## Sampling chamber DN 150, Load class A

### Article information

Item no.: 915882A  
 GTIN: 4026092048511  
 Price group: 60

### Description

Sampling chamber LW 450 for separators, for underground installation, draining, watertight, resistant to aggressive wastewater. Minimum installation depth can be achieved by sawing to required length.

|                                            |                                     |
|--------------------------------------------|-------------------------------------|
| Flow direction:                            | straight                            |
| General characteristics                    |                                     |
| Colour:                                    | black                               |
| Material:                                  | PE                                  |
| Dimensions                                 |                                     |
| Net weight:                                | 15 kg                               |
| Gross weight:                              | 15 kg                               |
| Vertical drop between inlet and outlet:    | 160 mm                              |
| Installation depth:                        | 950 - 1300 mm                       |
| Type of height adjustability:              | vertically adjustable upper section |
| Length:                                    | 730 mm                              |
| Packaging dimension:                       | length                              |
| Packaging dimension:                       | width                               |
| Packaging dimension:                       | height                              |
| Tank/drain body                            |                                     |
| Distance pipe bottom inlet to tank bottom: | 205 mm                              |
| Outlet nominal size (OD):                  | 160 mm                              |
| Outlet nominal size (DN):                  | 150 mm                              |
| Inlet nominal size (OD):                   | 160 mm                              |
| Inlet nominal size (DN):                   | 150 mm                              |
| Clear width of tank (LW):                  | 450 mm                              |
| Coverage features                          |                                     |
| Type of cover:                             | Cover plate                         |
| Cover material:                            | Polymer                             |
| Colour of cover:                           | black                               |
| Load class:                                | A 15 (EN 124)                       |

Tightness:

odour-tight and surface water resistant
